Homes!

Computer generated images are for illustration purposes only.

The Kildale is thoughtfully designed for modern, easy living. A welcoming hallway leads into a bright lounge, offering a comfortable space to relax, while the contemporary kitchen and dining area creates a sociable hub of the home. A convenient cloakroom completes the ground floor.

Upstairs, you'll find two well-proportioned bedrooms and a stylish family bathroom. The principal bedroom provides generous space and comfort, while the second bedroom offers versatility — ideal for guests, a child's room, or a home office.

Outside there is an enclosed garden and off road parking.
